“...honoring our past and innovating for the future”
A LETTER FROM GEORGETOWN LEADERSHIP

Greetings from Georgetown!

WE’RE GROWING

Georgetown is the seventh fastest growing city in the nation and the third safest city of our size in Texas. Since 2010, our population has increased more than 56 percent. We promise, we’re not trying to be the fastest-growing city in the U.S. Frankly, people choose Georgetown because we are a safe city with a high-quality of life, great parks, an award-winning library, a low tax rate, and the Most Beautiful Town Square in Texas.

PEOPLE LIKE US

The 2018 citizen survey showed more than 80 percent of Georgetown residents believe the value of the city taxes paid is either good or excellent, while 98 percent said the quality of life in Georgetown is either good or excellent. Georgetown was honored to be named No. 1 on The South’s Best Cities to Live 2018 list by Southern Living magazine. We recognize what a great place Georgetown is, and others recognize it, too.

VISION FOR THE FUTURE

In 2017, the Georgetown City Council created a new vision statement for the city. Georgetown: A caring community honoring our past and innovating for the future. The City of Georgetown has remained steadfast in our focus on expanding employment opportunities, while preparing for the growth that we know will come. Our community wants the city to grow in a strategic way, while retaining our world-famous character and charm.

Sincerely,

Dale Ross
Mayor, City of Georgetown

The Georgetown labor shed is very well educated with 40% of the individuals possess a Bachelor’s degree or higher level of education.

Georgetown's labor shed is comprised largely of young professionals with more than a third of the workers between the age of 25 and 44.
## Target Industries

**What Does Georgetown Have?**

A recent target industry and workforce analysis determined that Georgetown’s strengths, assets, and existing business mix make it a prime location for advanced manufacturing, life sciences, and professional services. While these industries align with Georgetown’s strengths, including workforce, other industries relocating here will also be able to take advantage of the opportunities.

ELECTRICITY
In 1910, Georgetown voters approved a bond to build the Georgetown Light and Water Works plant on Ninth Street. Over the last century, Georgetown has developed and maintained a highly-reliable, community-owned and -operated electric utility. In April 2019, Georgetown’s Electric Utility attained diamond level status under the American Public Power Association’s Reliable Public Power Provider program. This is the program’s highest level of recognition and is only awarded after a rigorous application process and outside review.

WATER | WASTEWATER
The City of Georgetown serves about 42,000 water accounts representing more than 100,000 customers in a 440-square-mile service area that includes the City of Georgetown and parts of Williamson, Bell, and Burnet counties. The City is fortunate to have enough water to serve our customers through 2043; however, through conservation, the water supply will last past 2050.

GoGEO
Georgetown launched its fixed-route and paratransit bus system in August 2017. The four routes meet at a central hub at the Georgetown Public Library. The system is funded by inexpensive rider fares (two dollars a day) as well as the City of Georgetown, Georgetown Health Foundation, and Capital Metro.

AIRPORT
The Georgetown Municipal Airport is a towered reliever general aviation airport serving general and corporate aviation. Owned by the City of Georgetown, the airport provides full-service amenities, aviation fuel, avionics sales, service, and aircraft maintenance. The main runway is 5,004 ft and can handle most business air traffic including G-4 and Global Express.
The City of Georgetown’s Overall Transportation Plan (OTP) is critical in the development of the City. It guides future roadway improvements, construction of new facilities, and outlines the City’s transportation goals. The revision and adoption of the OTP is a deliberate and thoughtful process with the goal to provide a complete understanding of the relationship between land use and the transportation infrastructure required to support those uses.

St. David's Georgetown Hospital

As a comprehensive healthcare provider, St. David's Georgetown Hospital is an accredited full-service 114-bed hospital. The hospital includes an intensive care unit, a 24-hour major and minor emergency department staffed with emergency medicine and specially trained emergency physicians, inpatient and outpatient surgery, acute inpatient rehabilitation and outpatient therapy, and a state-of-the-art pulmonary program.

Georgetown Health Foundation

Georgetown Health Foundation supports nonprofit organizations. The Foundation's work was established with the opening of Georgetown Community Hospital in 1924. The Foundation remains committed to honoring its healthcare roots by supporting community health and the social determinants of health, encompassing areas of need not only in health care, but in safety net areas that impact those most vulnerable with particular emphasis on children, youth and elders.

In 2018, the Georgetown Public Library was selected from 29 national finalists and awarded the National Medal for Museum and Library Service. Winners of this honor represent institutions that provide dynamic programming and services that exceed expected levels of service. Through their community outreach, these institutions bring about change that touches the lives of individuals and helps communities thrive.

The library strives to serve as a catalyst for community wellbeing and enrichment in a context of extremely rapid local change and growth. Library staff reimagine and reinvent the library through patron-centric library services, innovative partnerships with organizations and agencies, and creative, engaging programming.
GEORGETOWN PARKS AND RECREATION

Georgetown is nestled between the cool waters of the North and South San Gabriel Rivers and the gently rolling hills of Central Texas.

With 40 parks and more than 16 miles of hike and bike trails, Georgetown Parks and Recreation offers an array of recreational opportunities that make for an excellent quality of life.

**Garey Park** is primed to be Georgetown’s flagship park and a destination that will offer a variety of outdoor recreation opportunities. Nestled along the South San Gabriel River, the 525-acre ranch was donated by Jack and Cammy Garey in 2004.

Amenities at the park include a playground, a splash pad, a dog park, an equestrian arena, fishing ponds, the Garey House event facility, pavilions, picnic shelters, and more than seven miles of hiking and equestrian trails.
GEORGETOWN
DOWNTOWN

It's not by chance that downtown Georgetown is a destination for residents and visitors alike. Through concentrated efforts and careful planning, the heart of Georgetown continues to improve and thrive, growing each year as the bustling city center it was intended to be.

Georgetown's Cultural District is a 40-block area of downtown which contains the Williamson County Courthouse as well as more than 100 restaurants, wineries, shops, and galleries. Arts and cultural facilities anchor the Cultural District, including the Palace Theatre, the Georgetown Public Library, the Georgetown Arts Center, and the Williamson Museum.

With Georgetown's rich history, beautiful art, and cultural elements all conveniently located in one central area, it's no wonder Georgetown is known as the Most Beautiful Town Square in Texas.
Georgetown has a large variety of retail shopping and restaurants for locals and visitors to enjoy. From antiques and one-of-a-kind gifts, to the nation's largest retailers.

With restaurants ranging from farm-to-table fare or a quick bite, Georgetown has it all. Our local brewery and exceptional bars provide comfortable spaces for families and friends to enjoy.

Georgetown’s latest retail development, Wolf Crossing broke ground in October of 2018. The 250,000-square-foot retail center is located on the corner of Interstate 35 and University Avenue and includes restaurants, medical facilities, neighborhood services, a hotel, and a grocery store.

Retailers anticipated at Wolf Crossing include Marriot Fairfield Inn and Suites, Verizon, P. Terry’s, Jason’s Deli, Tiff’s Treats, First Watch Café, Aldi, Olive Garden, and Salons by JC.
GEORGETOWN
ENTERTAINMENT

Georgetown is home to the Mos: Beautiful Town Square in Texas and with it being located in the heart of the city, you can be sure to find some of the best events hosted right in the middle of downtown.

In March of each year the Georgetown Main Street Program holds a Texas wine, local food, and downtown shopping celebration. Guests stroll the historic square, sip wine, and shop local businesses. Proceeds from the event benefit the Main Street Façade & Sign Grant Program.

Family-friendly entertainment doesn’t get any better than the annual Red Poppy Festival, a Georgetown and Central Texas tradition. To celebrate the annual April bloom of poppies and the title of “Red Poppy Capital of Texas,” over 65,000 people attend the festival to enjoy music, food, and fun every year.

Each December, the Georgetown Square is transformed into a genuine Christmas card brought-to-life. Families enjoy arts, crafts, and a visit with Santa in a magical setting of t’rees lined with twinkling lights.
ECONOMIC DEVELOPMENT INCENTIVES

Businesses looking to relocate or expand in the Georgetown city limits may be eligible for a variety of incentive options. The Georgetown Economic Development Department has the experience and expertise to help determine which local, state, federal, and other government incentives and programs best meet a business’ needs. In addition, Georgetown offers one of the lowest utility and tax rates in the Central Texas area.

TYPE A SALES TAX
The citizens of Georgetown approved the creation of a Type A Sales Tax Corporation, the Georgetown Economic Development Corporation (GEDCO) in 2005. GEDCO considers requests within identified targeted industries and grants funds for job creation, workforce development, and infrastructure projects.

TYPE B SALES TAX
In 2000, the citizens of Georgetown approved the creation of a Type B Sales Tax Corporation, Georgetown Transportation Enhancement Corp (GTEC). GTEC awards funds to finance infrastructure improvements for qualified projects.

PROPERTY & SALES TAX ABATEMENTS
Personal and real property sales tax abatements are available to qualified businesses.

TRIPLE FREEPORT EXEMPTION
In 1989, Texas voters approved a constitutional amendment giving local taxing jurisdictions the option to waive tax collection on specific personal property known as freeport goods. Freeport property includes goods, wares, merchandise, ores, and certain aircraft and aircraft parts. Freeport property qualifies for an exemption from ad valorem taxation only if it has been detained in the state for 175 days or less for the purpose of assembly, storage, manufacturing, processing, or fabricating. Businesses operating within the City of Georgetown may qualify for a Triple Freeport Exemption as Georgetown Independent School District, Williamson County, and the City of Georgetown offer this exemption.
ECONOMIC DEVELOPMENT INCENTIVES

TEXAS ENTERPRISE FUND
The 78th Texas Legislature established the Texas Enterprise Fund to provide financial resources to help strengthen the state's economy. Projects that are considering a Texas site in competition with other out-of-state sites and can demonstrate significant projected job creation and capital investment may qualify.

SKILLS DEVELOPMENT FUND
The Skills Development Fund is an innovative program created to assist Texas public community and technical colleges finance customized job training for their local businesses. The Fund was established by the Legislature in 1995 and is administered by the Texas Workforce Commission. Grants are provided to help companies and labor unions form partnerships with local community colleges and technical schools to provide custom job training. Average training costs are $1,000 per trainee; however, the benefit may vary depending on the proposal.

FOREIGN TRADE ZONE
A Foreign Trade Zone (FTZ) is an area within the U.S. designated by the federal government as outside of U.S. Customs territory. FTZs encourage investment in the U.S. and the creation of local jobs by allowing U.S. businesses to operate with equivalent customs treatment to businesses conducted off-shore, allowing businesses to reduce customs duties and fees and achieve benefits for the import and export of goods. The Foreign Trade Zone of Central Texas, Inc., is the grantee of FTZ 183.

PRODUCT DEVELOPMENT & SMALL BUSINESS INCUBATOR FUND
This fund is a revolving loan program financed through original bond issuances. The primary objective of the program is to aid in the development, production and commercialization of new or improved products and to foster and stimulate small business in the State of Texas.

TEXAS ENTERPRISE ZONE PROGRAM
The Texas Enterprise Zone Program is an economic development tool for local communities to partner with the state to promote job creation and capital investment in economically distressed areas of the state.
ECONOMIC DEVELOPMENT INCENTIVES

STATE SALES AND USE TAX EXEMPTION
Texas businesses may be exempt from paying state sales tax on the purchase of manufacturing machinery and equipment, on equipment and other expenses for Data Centers reaching certain thresholds, and on natural gas and electricity for companies using these resources in creating tangible personal property.

AD VALORUM AND PROPERTY TAX EXEMPTION
A facility that receives a determination from the Texas Commission on Environment Quality (TCEQ) that property for pollution control purposes may qualify for exemption of property taxation. The intent is to ensure that compliance with environmental mandates through capital investments does not result in an increase in a facility’s property taxes.

EB-5 PROGRAM
Individuals are eligible to apply for conditional lawful permanent residence in the United States if they make the necessary investment in a commercial enterprise in the United States and create or, in certain circumstances, preserve 10 permanent full-time jobs for qualified U.S. workers.

IN-STATE TUITION
The Economic Development and Diversification In-State Tuition incentive allows employees and family members of the qualified businesses to pay in-state tuition fees if the individual files with a Texas institution of higher education.

CANCER PREVENTION & RESEARCH INSTITUTE OF TEXAS GRANT (CPRIT)
CPRIT offers several funding opportunities for promising cancer research, product development, and prevention programs.
