The background of the slide is a dark blue sky with several bright, jagged lightning bolts. One prominent bolt runs vertically down the right side, while others branch out horizontally across the top and bottom. The lightning is a vibrant yellow-white color, creating a high-contrast, energetic visual.

How do people get to work?

A low-angle, upward-looking shot of several modern skyscrapers with glass facades. The buildings are dark and reflective, with their lines converging towards the top of the frame. The sky is a pale, overcast grey. In the bottom left corner, a construction crane is partially visible. The overall tone is professional and architectural.

Key Takeaways

KEY TAKEAWAYS

- U.S. expansion continues, Austin/ Georgetown to outperform
- Mountain of capital targeting markets like Austin suburbs - opportunistic/core-plus
- Office sector – high tech base, strong leasing, suburbs strong
- Retail mixed– all about quality; steer clear of anything challenging Ecommerce directly
- Multifamily - HH formation revving up, structural drivers strong and affordability key
- Strong opportunities - development deals, strategic class B plays, and attractive spreads relative to gateways
