WHY GEORGETOWN WORKS FOR YOU

Access to an abundant Life Sciences workforce with over 80,000 individuals in supportive occupations in its labor shed.

Georgetown's location at IH-35 and SH-130 provides easy access to Austin, San Antonio, Dallas, and Houston, and is only 30 minutes from Austin Bergstrom International Airport.

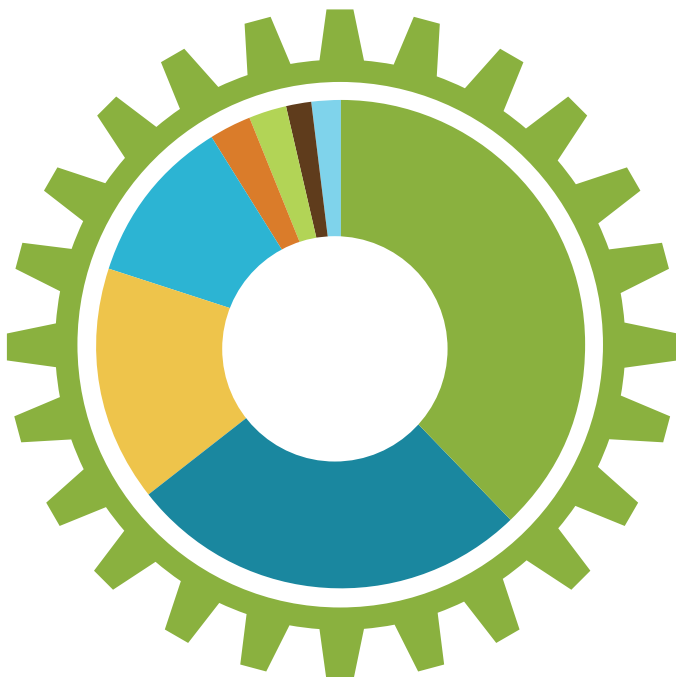

Proximity to Texas A&M Life Science Center, the University of Texas Medical School, and other cutting-edge life science research and education institutions.

Electric, water, & wastewater are provided by the reliable city-owned and operated systems at Georgetown Electricity and Georgetown Water Services.
